Each year, the Meeting creates a **State of the Meeting Report** designed to take the pulse of the Meeting for the previous year. This report is distributed to members and attenders and is also provided to Pacific Yearly Meeting. In the interests of making our State of the Meeting report more dynamic and responsive, please give us your thoughts on the following questions. Please responde by *March 15, 2007*. Completed questionnaires may be emailed to Dawn Einwalter at [lupine@gbis.com](mailto:lupine@gbis.com), mailed to 1816 Quail Run Road, Reno 89523, or left in the Oversight Committee mailbox at the Meetinghouse.

### **State of the Meeting Questions**

*Consider some of the spiritually-oriented activities that you participated in at the Meeting during the last year (e.g., Sunday morning discussion, First Day School, Meeting for Worship, etc.) Which did you particularly find satisfying. Why?*

*In what other ways could the Meeting meet your spiritual needs? Please be specific.*

*What fellowship activities, such as hikes, book club, potlucks, etc. did you participate in? Do you feel that these activities enrich Meeting life? If yes, are there other fellowship activities that the Meeting might offer?*

*Do you have other suggestions for how the Meeting might be strengthened, in terms of its spiritual life and/or fellowship? How would you be willing to participate in these suggestions?*

*The Meeting strives to maintain an active relationship with the community, both in terms of service, and by strengthening communication and understanding with other groups and religious persuasions. Historically, Friends also have a long tradition of working on social issues related to peace and justice. In this regard, what are your thoughts on the Meeting's recent efforts? If you support these efforts, how might you wish to contribute to them in the coming year?*

What have we missed?
